He was also pleased to hear that we have reduced the number and complexity of our evaluation procedures. He was much interested in the type of evaluation which the Covert Instructors prepare for U.S. and foreign trainees and indicated to me that so long as we had mature, experienced instructors, he saw no reason for the professional psychologists to concern themselves with Covert Training. I told him that our experiment with a psychologist stationed at [REDACTED] had not been productive.

Air Section

25X1A9a

a. On 22 May [REDACTED] flew the DDCI to Princeton, N. J. and back in the Helio Courier.
